

Extended WAVOAD Meeting & Networking Opportunity

Wednesday, October 6, 2010

10 am to 5 pm, PDT

***Central Washington University, Ellensburg
Student Union & Recreation Center
(between 10th & 11th Avenues and Walnut & Chestnut Streets)***

Whether you are an existing WAVOAD member, a community or faith-based organization interested in disaster preparation and response, or just want to learn more about other organizations involved in disaster-related activities, **you won't want to miss this** opportunity to meet and network with others with like missions.

Participants will:

- Hear from and interact with an expert on Earthquakes with presentations by The American Red Cross and WASART (Washington State Animal Response Team) regarding preparedness and response.
- Learn about COADs (Community Organizations Active in Disaster), their opportunities, challenges and successes, and how to begin the process of developing a COAD in your community
- Strengthen existing relationships within WAVOAD, and network and develop new partnerships with other organizations with similar disaster-related objectives and activities

Join us for a day of learning, networking and celebration of the WAVOAD mission – ***fostering more effective service to people affected by disaster through cooperation, coordination, communication and collaboration.***

There is no fee for this program. We ask that you bring a bag lunch or purchase food in the food court where we will network together during the lunch break. Please RSVP to wavoadinfo@gmail.com.

Thank you!
